

THE TALKS ON NEUROSCIENCE & NEUROLOGY

Theme: Innovations & advancements in the related fields of neurology

September 03-04, 2020
Madrid, Spain

Event Schedule

\$149 - \$799

[Tickets to Event](#)

Important Dates

Abstract Submission Starts

July 18, 2019

Abstract Submission Deadline

July 31, 2020

Early Bird Registration Deadline

March 06, 2020

USA: +1-332-209-2171

UK : +44-203-608-6631

2020 September

Day 1: Thursday September 03

Conference Registration 07:30-08:30

Introduction and Opening Remarks 08:30-09:00

Keynote Session

Title: Sympathetic nervous system to control orthostatic posture in humans against terrestrial gravity. How does this system operates under microgravity in space? Microneurography study

Tadaaki Mano

Nagoya University, Japan

09:00-09:35

Title: Why, What, Who, When, Where and How to create a novel Professional Service Sector in Scientific Integrative Medicine and Preventive Medicine?

Liya Shen

Global Life System Extension, Inc., USA

09:35-10:10

Title: A Quantum NeuroIS data analytics approach for the measurement of computer anxiety: A tool for the usability evaluation of learning management systems

Raul Valverde

Concordia University, Canada

10:10-10:45

Refreshment

10:45-11:00

Plenary Session

Chairs

Peter Bergold

SUNY Downstate Health Sciences University, USA

Karen Aranha

University of St. Augustine for Health Sciences, USA

Event Schedule

\$149 - \$799

Important Dates

Abstract Submission Starts

July 18, 2019

Abstract Submission Deadline

July 31, 2020

Early Bird Registration Deadline

March 06, 2020

USA: +1-332-209-2171

UK : +44-203-608-6631

Title: The contribution of GBA1 mutations to the development of Parkinson's disease

Mia Horowitz

Tel Aviv University, Israel

11:00-11:25

Title: Impact of the transport properties of drugs and cyclodextrins in Parkinson's disease

Ana Cristina Faria Ribeiro

University of Coimbra, Portugal

11:25-11:50

Title: Towards a brain protective therapy for Alzheimer's disease

Antonio Cuadrado

Autonomous University of Madrid, Spain

11:50-12:15

Title: CNS Biomarkers play an important role in shaping the global CNS drug market

Rivka Ravid

Brain Bank Consultants, Netherlands

12:15-12:40

Title: Cell-cell interactions between Astrocytes and microglia in Alzheimer's disease

Daniele Nosi

University of Florence, Italy

12:40-13:05

Lunch

13:05-13:50

Title: There are no mental problems: Why neuroscientist have not removed depression, anxiety, and addiction yet ?

Roy Redd

The Redd Group, USA

13:50-14:15

Title: Importance of the sleep in the cognitive evolution and biomarkers in Alzheimer's Disease. Can we modify the disease by improving sleep?

Gerard Piñol Ripoll

University of Lleida, Spain

14:15-14:40

Title: Modulating the reactive phenotype of astrocytes in amyotrophic lateral sclerosis: The therapeutic effect of exosome-derived mesenchymal stem cells

Milanese Marco

University of Genoa, Italy

14:40-15:05

Event Schedule

\$149 - \$799

Important Dates

Abstract Submission Starts

July 18, 2019

Abstract Submission Deadline

July 31, 2020

Early Bird Registration Deadline

March 06, 2020

USA: +1-332-209-2171

UK : +44-203-608-6631

Title: Role of the transcription factor NRF2 in ALS pathology

Ana Isabel Rojo Sanchís

Universidad Autónoma de Madrid, Spain

15:05-15:30

Title: The growth and development of NDT services in Nigeria and beyond

Bankole Murtala Olusola

Lagos University Teaching Hospital, Nigeria

15:30-15:55

Refreshment

15:55-16:10

Title: Therapeutic strategies for management of Dementia: Potential role of plants and bioactive compounds

Dinesh Dhingra

Guru Jambheshwar University of Science and Technology, India

16:10-16:35

Student Session

Title: Recent advances in drug delivery to the brain

Madhoosudan Patil

University of Colorado, USA

16:35-16:55

Title: R-Ras 1 and R-Ras 2 are essential for a correct energetic coupling between oligodendrocytes and neurons

Berta Alcover Sánchez

Autonomous University of Madrid, Spain

16:55-17:15

Title: Evaluation of rehabilitation strategies to recover manual dexterity after spinal cord injury

Baylo-Marín Olaia

The Autonomous University of Barcelona, Spain

17:15-17:35

Student Slots Available

Event Schedule

\$149 - \$799

UK : +44-203-608-6631

Day 2: Friday September 04

Conference Registration

08:00-09:00

Keynote Session

Title: Microtubule dynamics as a common cellular pathway altered in X-linked neurodevelopmental disorders

Massimiliano Bianchi

Ulysses Neuroscience Limited, Ireland

09:00-09:35

Title: Neuroprotective effects against the toxicity of alpha synuclein and beta-amyloid of dietary bioactives derived from aromatic amino acids

María del Carmen García Parrilla

Universidad de Sevilla, Spain

09:35-10:10

Title: Digital technology in clinical trials: Improving measurement for neurology and psychiatry drug development

Francesca Cormack

Cambridge Cognition Ltd, UK

10:10-10:45

Refreshment

10:45-11:00

Special Session

Title: Behavioral neuroscience: Helping people improve their lives

Anna Fortea Paricio

International Neurocoaching Association, Spain

11:00-11:30

Plenary Session

Chairs

Ana Cristina Faria Ribeiro

University of Coimbra, Portugal

Antonio Cuadrado

Autonomous University of Madrid, Spain

Event Schedule

\$149 - \$799

Abstract Submission Starts

July 18, 2019

Abstract Submission Deadline

July 31, 2020

Early Bird Registration Deadline

March 06, 2020

USA: +1-332-209-2171

UK : +44-203-608-6631

Title: Is it possible the prevention of Alzheimer disease?

Félix Bermejo-Pareja

Complutense University of Madrid, Spain

11:30-11:55

Title: Treatment of traumatic brain injury with a clinically relevant therapeutic time window

Peter Bergold

SUNY Downstate Health Sciences
University, USA

11:55-12:20

Title: The inflammatory effects of TNF α in human basal forebrain cholinergic neurons: an *in vitro* experimental approach

Annamaria Morelli

University of Florence, Italy

12:20-12:45

Title: microRNAs: innovative biomarkers in the Stroke context

Laurent Metzinger

University of Picardie-Jules Verne, France

12:45-13:10

Lunch

13:10-13:55

Title: Using yoga and principles of neuroplasticity to promote function post Traumatic Brain Injury (TBI)

Karen Aranha

University of St. Augustine for Health
Sciences, USA

13:55-14:20

Title: Most Regulatory placebo-controlled "Pediatric" studies neurological diseases are an unethical abuse of young patients

Klaus Rose

Klausrose Consulting, Switzerland

14:20-14:45

Title: Treatment options in MS: Recent developments and cutting edge care

Sharon Stoll

Yale School of Medicine, USA

14:45-15:10

Event Schedule

\$149 - \$799

Tickets to Event

Important Dates

Abstract Submission Starts

July 18, 2019

Abstract Submission Deadline

July 31, 2020

Early Bird Registration Deadline

March 06, 2020

Title: Illusory lower limb levitation and involuntary moving toes following herpes zoster myelitis

Clara de Andrés

Gregorio Marañón Hospital, Spain

15:10-15:35

Title: Data mining analysis for the development of an ontology for the description of the reality experienced in near death experiences

Raul Valverde

Concordia University, Canada

15:35-16:00

Refreshment

16:00-16:15

Title: Novel cognitive biomarkers in surgical management of Parkinsonian disorders

Max Brzezicki

University of Oxford, UK

16:15-16:40

Title: Aluminium-induced Alzheimer's Disease its alleviation by *Cassia tora* : Relevance for the use of multi-targets-directed ligands in neuroprotection

Ramesh Balenahalli Narasingappa

University of Agricultural Sciences, India

16:40-17:05

Closing Ceremony & Panel Discussion

Note: The preliminary program timings and order are subjected to change in the final agenda.
